A Report on Industrial Visit at

**YASHRAJ  
ENTERPRISE  
(READY MIX CONCRETE PLANT)**

**CIVIL ENGINEERING DEPARTMENT**

7<sup>TH</sup> August, 2018  
5<sup>TH</sup> SEMESTER (BATCH-2016)

Respected sir,

Industrial visit was carried out at Anjali infrastructure On 7th August, 2018 especially for semester fifth student for concrete technology. We along with 49 students & 3 faculties left for visit at 12:30 p.m. and took about half an hour to cover the distance. The RMC Plant is located at Kosamba over bridge

. We had seen the whole process of ready mix concrete plant with advanced equipment. We learnt many things from this visit like proportion of aggregate, sand, Water content etc. & that R.M.C plant based on KYB conmat software.

We are thankful to our HOD and PRINCIPAL SIR for granting us the permission to carry out the visit at R.M.C plant. We assure complete coordination ahead in the semester.

Thanking you,

YOURS FAITHFULLY,

Mr. M.J.Parmar,

Ms. D.K.Master,

Mrs.F.M.Mansur,
