# Report on Pool Campus Placement Drive by ArcelorMittal Nippon Steel India (AM/NS)

Dates: 16th and 17th January 2025 Venue: Dr. S.S. and Gandhi College, Surat Participating Institutes: Including A.Y. Dadabhai Technical Institute, Kosamba

## Overview:

On 16th and 17th January 2025, ArcelorMittal Nippon Steel India (AM/NS) organized a pool campus placement drive for final-year and pass-out students from Electrical, Mechanical, Civil, and Computer Engineering disciplines. The event took place at Dr. S.S. and Gandhi College, Surat. Students from various institutes, including 59 students from A.Y. Dadabhai Technical Institute, Kosamba, participated in this prestigious recruitment drive.

Institute Coordination: Mr. M.J.Parmar, the designated coordinator from A.Y. Dadabhai Technical Institute, provided guidance and support to the students throughout the placement drive. His efforts ensured smooth participation and timely coordination.

## Program Schedule:

### Day 1: 16th January 2025

#### Pre-Placement Talk:

The event began with a pre-placement talk delivered by the representatives of AM/NS. They provided an in-depth overview of the company, its vision, policies, and work culture. Students gained valuable insights into the organization and its expectations from potential recruits.

#### Aptitude and Technical Test:

Following the pre-placement talk, students appeared for an aptitude and technical test designed to assess their problem-solving skills, domain knowledge, and technical expertise. The test served as the first round of the selection process.

Day 2: 17th January 2025

### Personal Interviews:

Students who successfully cleared the written test were invited for the personal interview round. A total of 39 students were shortlisted for this phase. The interviews were conducted by:

Mr. Chinmay Nayak: Team Member, Skill Academy, AM/NS

Ms. Kala Methiwala: Team Member, Human Resources, AM/NS

The interviews focused on evaluating the students' technical skills, communication abilities, and overall fit for the organization.

### Key Outcomes:

The placement drive provided an excellent opportunity for students to interact with industry professionals and showcase their talents. The multi-phase selection process allowed candidates to demonstrate their aptitude and technical capabilities while gaining exposure to the corporate recruitment environment.

### Acknowledgments:

The management of A.Y. Dadabhai Technical Institute, Kosamba, expresses gratitude to ArcelorMittal Nippon Steel India (AM/NS) and Dr. S.S. and Gandhi College, Surat, for organizing this impactful placement drive. Special thanks to Mr. M.J. Parmar for his dedication and coordination efforts, ensuring active participation of our students.

### Conclusion:

The pool campus placement drive by AM/NS was a significant step towards bridging the gap between academics and industry. It provided a platform for students to embark on their

professional journeys while fostering partnerships between educational institutions and leading corporations.
