

**REPORT ON INDUSTRIAL VISIT**

**Ganesh Engineering works**

**Arranged by**

**Mechanical Engineering Department,**

**A.Y.DADABHAI TECHNICAL INSTITUTE, KOSAMBA**

## **Industrial Visit Report**

**Name of Industry:** Ganesh Engineering Works

**Address:** Kuvarda, Kosamba

**Date of Visit:** 04-10-2024

**Semester:** 3<sup>rd</sup>

**No. of Students Visited:** 51

**No. of Faculty Visited:** 03

**Subject (Course) Related to Industry:** M.E.-I

**Contact person of Industry:** Mr. Sagar Panchal

**Contact No:** 8866896151

**Product of Industry:** Foundry Shop, Machining of Casting Parts,

**Name of departments visited in Industry:** Production

## **About Visit**

Mechanical program curriculum required for second year subject knowledge to conduct the industrial visit and enhance the knowledge through it. Also to aware about the recent scenario of industrial technology.

For that contact and got the permission for one day visit about **57 students** with staff and finalize the date for **visit on 4<sup>th</sup> October 2024 at 10:00 am onwards.**

Most of students are remain present and make group for whole visit of industry and get the idea of different processes carried in the industries for manufacturing like pattern making, mould and casting process.

During the visit to know about foundry processes for melting material and latest technology also how the industry manage the work and how they maintain the department efficiently and give the quality product as per schedule.

Ganesh Engineering is a manufacturing unit for **FOUNDRY WORKS LIKE CASTING PRODUCTS.**

In this visit we also get the knowledge to achieve quality of product and safety precaution and drawing symbols used in production drawing.
