Brief about Expert Lecture:-

Our electrical engineering department of A. Y. Dadabhai Technical Institute, Kosamba had organized expert lecture on **Entrepreneurship Development** the date of **29 September 2023** by **Mr.HemrajVaghela(Owner) Planets Sales.**

First expert emphasized the significance of having a clear vision and mission for any entrepreneurial venture. According to him, a well-defined vision not only guides the business strategy but also inspires and aligns the entire team towards a common goal.

One of the main concerns in Mr. Vaghela's lecture was the different challenges in the entrepreneurial journey. Drawing from his own experiences, he highlighted the importance of resilience and adaptability in overcoming obstacles. Sharing experiences of his own setbacks, he demonstrated how challenges can be turned into opportunities with the right mindset.

In a rapidly changing business environment, Mr. Vaghela advocated for a culture of innovation and constant adaptation. He shared insights into how successful entrepreneurs stay ahead by embracing change, fostering a culture of innovation, and emerging technologies.

At last, Mr. HemrajVaghela's expert lecture on entrepreneurship provided a comprehensive and inspirational guide for individuals looking to be a entrepreneur. His wealth of experience, coupled with practical insights, made this lecture a valuable resource for anyone aspiring to succeed in the dynamic world of entrepreneurship. Attendees left the session with not only newfound knowledge but also a sense of motivation and determination to pursue their entrepreneurial dreams.
