A J P R O D U C T I O N

On January 18, 2024, the A.Y. Dadabhai Technical Institute in Kosamba hosted an expert talk on "IELTS Information and study abroad for final year students in collaboration with AECC Study Abroad Consultants. The event witnessed active participation from a total of 74 final-year students representing diverse engineering disciplines, including Electrical, Mechanical, Civil, and Computer Engineering departments. The session aimed to provide valuable insights into IELTS requirements for pursuing education abroad and highlighted internship opportunities facilitated by AECC Study Abroad Consultants.

Mr. M.A. Shaikh, the Training & Placement Officer, commenced the event with a brief introduction to the program, setting the stage for an insightful session. He provided an overview of the significance of the event and its relevance to the participating final-year students from Electrical, Mechanical, Civil, and Computer Engineering departments.

Additionally, Mr. Shaikh introduced the esteemed expert of the program, shedding light on their expertise and credentials. This set the tone for an engaging and informative session, offering students valuable insights into IELTS information and internship opportunities for foreign study. The combined efforts of Mr. Shaikh and the expert aimed to empower students with the knowledge and resources needed for successful endeavors in the international education and internship landscape.

Mr.M.A.Shaikh Gives Introduction Speech

The program featured esteemed experts, including Mr. Siddharth Tanna, a senior counselor at AECC consultant study abroad. Mr. Siddharth brought his wealth of experience and knowledge to the event, contributing valuable insights. Another distinguished expert was Mr. Vinod Ramchandani, subject matter expert at AECC.

The collective presence of these experts, each bringing a unique set of skills and experiences, ensured a well-rounded and informative program for the attendees.
