

Title: Industry-Institute Interaction

Report On

Visit to Dormer Pramet Pvt. Ltd., Ankleshwar

Date: [02/02/2024]

Participants:

M.A. Sheikh (Training and Placement Officer)

Mr. M.G. Katariya (Lecturer, Mechanical Engineering Department)

Mr. K.H. Patel (Head of Department, Mechanical Engineering Department)

Venue: Dormer Pramet Pvt. Ltd., Ankleshwar

Introduction:

On 02/02/2024, representatives from A.Y. Dadabhai Technical Institute, Kosamba, comprising M.A. Sheikh, Mr. M.G. Katariya, and Mr. K.H. Patel, visited Dormer Pramet Pvt. Ltd. in Ankleshwar as part of an industry-institute interaction initiative. Dormer Pramet Pvt. Ltd., formerly known as Miranda Tools, is a renowned tool-making company. The purpose of the visit was to explore avenues for collaboration and mutual benefit between the industry and the institute.

Visit Highlights:

During our visit to Dormer Pramet Pvt. Ltd., we had the opportunity to engage with key personnel, including Mr. Sanjay Makwana, the R&D Head, and Mr. Prafullachandra Bhamre, the HR Manager, Miss Kinal Naik team member H.R. The visit encompassed a comprehensive tour of the plant facilities, enabling us to gain insights into the company's operations and processes.

Discussion Points:

Collaboration Opportunities: We discussed various avenues through which the industry and the institute can collaborate to foster mutual growth and development. These included joint research projects, skill development programs, and industry-relevant curriculum enhancement.

Skill Development Initiatives: Recognizing the importance of aligning educational programs with industry requirements, discussions were held on potential skill development initiatives tailored to meet the needs of the manufacturing sector.

Knowledge Sharing: Both parties acknowledged the value of knowledge exchange and sharing best practices. Plans for seminars, workshops, and expert lectures were deliberated upon to facilitate the dissemination of industry insights to students and faculty.

Internship and Placement Programs: Dormer Pramet Pvt. Ltd. expressed interest in offering internship opportunities to students, providing them with hands-on experience and exposure to real-world challenges. Additionally, avenues for enhancing placement prospects for students were explored.

Conclusion:

The visit to Dormer Pramet Pvt. Ltd. served as a fruitful platform for fostering collaboration between A.Y. Dadabhai Technical Institute and the industry. The discussions held and insights gained will pave the way for meaningful partnerships aimed at bridging the gap between academia and industry. Both parties expressed enthusiasm towards future engagements and working towards common goals for the advancement of the mechanical engineering sector.

This report encapsulates the key highlights and outcomes of our visit, underscoring the commitment of both the institute and the industry towards collaborative endeavors for mutual benefit.

M.A. Sheikh,
Training and Placement Officer,
A.Y. Dadabhai Technical Institute, Kosamba.
