REPORT

Workshop Report on "Artificial Intelligence: Driving Innovation and Shaping the Future"

Date: 10th October 2024

Venue: A.Y. Dadabhai Technical Institute, Kosamba

Organized by: Training & Placement Cell

On 10th October 2024, A.Y. Dadabhai Technical Institute, Kosamba, successfully organized a workshop on "Artificial Intelligence: Driving Innovation and Shaping the Future." The event was aimed at providing students with a deep understanding of Artificial Intelligence (AI) and its impact on industries and innovation.

MR CHIRAG KANANI & MR. VIPUL SAVLIYA

The workshop was conducted in two sessions:

First Session: Electrical, Mechanical, and Civil Engineering students attended.

Second Session: Computer Engineering students participated.

A total of **130** students and **10** staff members attended the event.

Program Flow:

Welcome Address: The event began with a warm welcome and introduction to the program by Mr. M.A. Sheikh, the Training and Placement Officer.

Flower Felicitation:

The guests were honored with flower bouquets as a gesture of appreciation.

Mr. chirag kanani

Mr. Vipul Savliya

Guest Experts:

1. **Mr. Chirag Kanani** – Marketing Head, Red & White Institute, Surat
2. **Mr. Vipul Savliya** – Technical Expert in IT, Red & White Institute, Surat

Key Highlights:

The session was led by **Mr. Chirag Kanani**, who provided an insightful presentation covering various aspects of Artificial Intelligence, including:

What is AI?

The Need for AI

Current Trends and Applications in AI

Future Prospects of AI

The participants were engaged throughout the session, gaining valuable knowledge on how AI is driving innovation across various sectors. The session encouraged students to explore the practical applications of AI in their respective fields.

Conclusion:

The event concluded with an interactive Q&A session, where students posed questions related to AI's real-world applications, career opportunities, and its impact on future technologies. The workshop was a resounding success, providing students with foundational knowledge on Artificial Intelligence and its transformative potential.
