“ Your Blood Donation can give
a precious smile to someone’s face.”

Thalassemia is an incurable disease. Only awareness may help us to protect our selves form this curse of the society. There fore the National service scheme unit of A.Y. Dadabhai Technical Institute organized a Thalassemia Awareness Testing Camp in association with the Indian Red Cross Society, Gujarat, on 14th February, 2024.

In this camp, around 552 students gat Thalassemia Test

On the same day, A Blood Donation Camp was also organized by our NSS unit , in collaboration with India Red Cross Society, Gujarat. Through which 49 units of blood was donated by both students and the staff members of Institute.
