Brief about Expert Lecture:-

Our electrical engineering department of A. Y. Dadabhai Technical Institute, Kosamba had organized expert lecture on Power Electronics the date of **23 September 2023** by **Mr. Sayyed Yaseen Senior Engineer at L&T Technology in R&D department**

The objective of the expert lecture was to provide electrical students with a comprehensive understanding of the fundamental concepts of electronics, bridging theoretical knowledge with practical applications. The lecture aimed to enhance students' proficiency in the subject and prepare them for future endeavors in the field of electrical engineering.

The lecture not only enhanced their understanding but also inspired them to pursue further studies and careers in the field of electrical engineering. Such initiatives play a crucial role in fostering academic excellence and preparing students for the challenges of the modern technological landscape.

The expert lecture received positive feedback from the participants, who appreciated the clarity of explanations and the relevance of the topics covered. The interactive nature of the session, coupled with real-world examples, facilitated better understanding and engagement among the students.
