About Visit

On the 12th October 2023 our Electrical Department has arranged an industrial visit for our 5th SEM students. Total 29 students & 2 faculty members had visited the **TECHMIND PLC TRAINING CENTRE, BHARUCH**

Upon arrival at TechMind PLC and SCADA Training Centre, we were warmly greeted by the staff members who provided an overview of the facilities and training programs offered. The centre has well equipped with the latest PLC and SCADA systems, providing hands-on experience to students and professionals alike. During the guided tour, we witnessed various industrial automation setups replicating real-world scenarios, ranging from manufacturing processes to water treatment plants.

The visit to TechMind PLC and SCADA Training Centre was both informative and enriching, offering a glimpse into the practical aspects of PLC and SCADA systems in industrial automation. The hands-on experience and expert guidance provided by the trainers have equipped us with valuable skills and knowledge applicable to our future careers in engineering. We extend our gratitude to the management and staff of Tech-Mind for their hospitality and insights shared during our visit. Overall, the experience has excellent of experiential learning in bridging the gap between theory and practice in the field of industrial automation.
