Advance Android

A.Y. Dadabhai Technical Institute, Kosamba aims to cater the society with skilled manpower and Efficient team members. Institute believes in total improvement of each students. Since 2009 Computer Department of A.Y. Dadabhai Technical Institute has served many scholar students to the society. Today's Era is Computer and Internet Era.

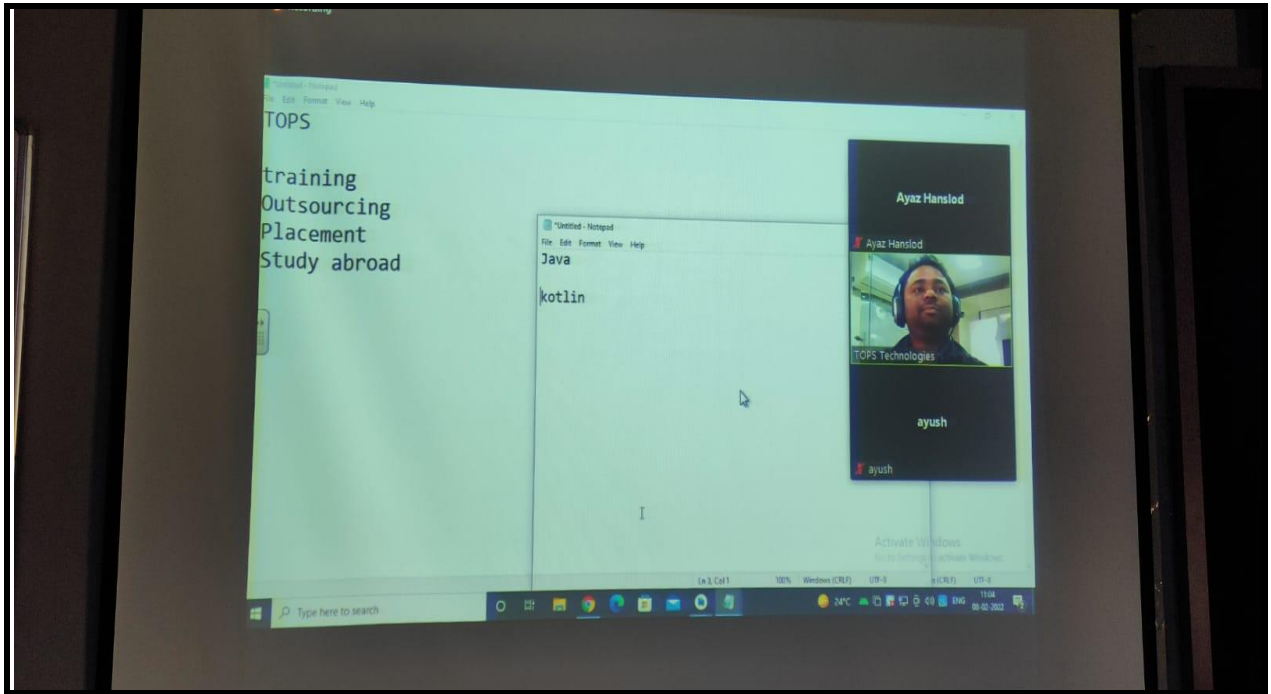

Hence we, at Computer Department planned the Expert Lecture on Advance Android for 6th semester students on 8th February 2022. Due to covid ,we planned expert lecture on **Google Meet** Platform. We invited **Mr. Arpit Parekh** from **TOPS Technologies, Surat** to deliver the Useful Information and Make the Students aware about the Different Courses running in tops technologies as well what are the most popular technologies in the world currently. He introduces the basics of all cutting edge technology in the field of Advance Android.

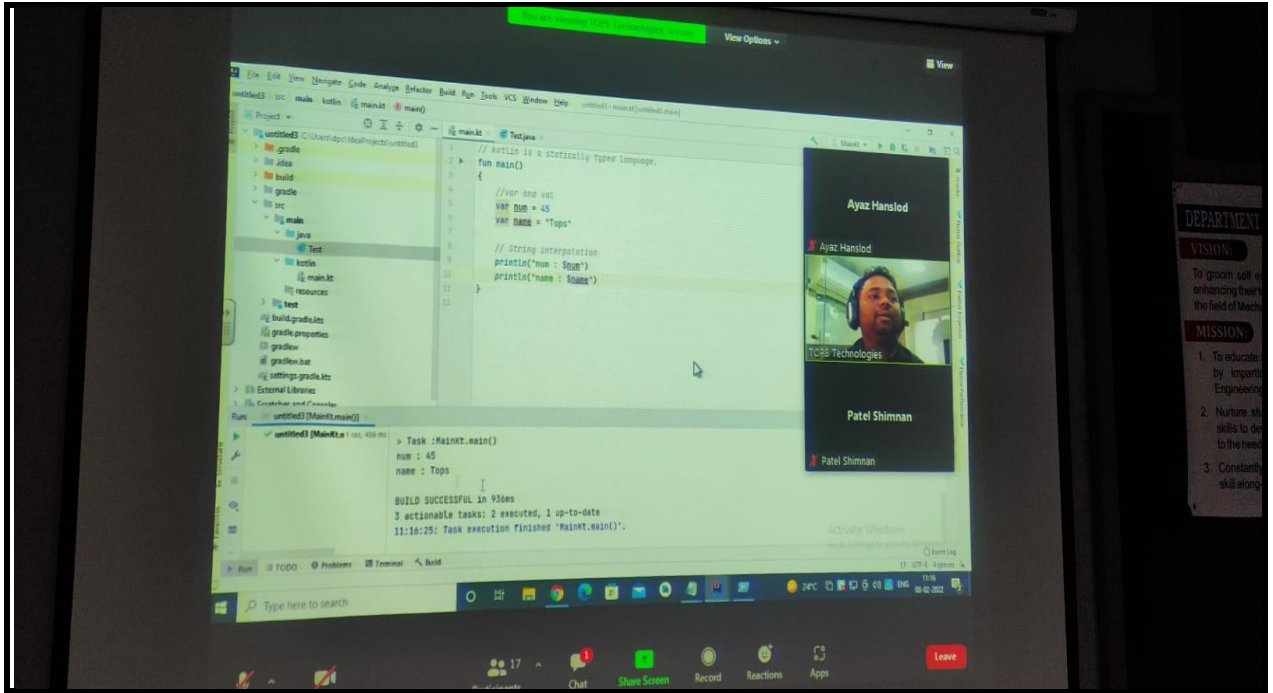

Moreover, he discussed about the kotlin. Kotlin is a general purpose, free, open source, statically typed “pragmatic” programming language initially designed for the JVM (Java Virtual Machine) and Android that combines object-oriented and functional programming features. It is focused on interoperability, safety, clarity, and tooling support. Versions of Kotlin targeting JavaScript ES5.1 and native code (using LLVM) for a number of processors are in production as well.

This Session has opened up many horizons among Student's mind, specifically to choose their Career. Many Students has decided to their Future in the Field of Advance Android.

Overall the purpose for organizing this Expert Lecture is fulfilled completely. Student had cherished this experience and also showed their interest to attend further workshops in their curriculum. As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding the Kotlin-What is Kotlin mainly used for? , Why is Kotlin so popular? ,etc.

Glimpse of the Seminar

DEPARTMENT
VISION:
To groom self-reliant engineering talent in the field of Mechatronics.
MISSION:
1. To educate by imparting Engineering
2. Nurture skills to develop to the needs
3. Constantly skill along
