

REPORT ON INDUSTRIAL VISIT

Mahavir Metal Industries

Arranged by

Mechanical Engineering Department,

A.Y.DADABHAI TECHNICAL INSTITUTE, KOSAMBA

Industrial Visit Report

Name of Industry: Mahavir Metal Industries

Address: Near Amod patiya, Kharach

Date of Visit: 04-10-2024

Semester: 3rd

No. of Students Visited: 51

No. of Faculty Visited: 03

Subject (Course) Related to Industry: Manufacturing Engineering-I

Contact person of Industry: Rajeshbhai Gosai

Contact No: 9825199236

Product of Industry: All household utensils

Name of departments visited in Industry: Production, Heat Treatment,
Policing and packaging

About Visit

Mechanical program curriculum required for second year subject knowledge to conduct the industrial visit and enhance the knowledge through it. Also to aware about the recent scenario of industrial technology.

For that contact and got the permission for one day visit about **57 students** with staff and finalize the date for **visit on 4th October 2024 at 10:00 am onwards.**

Most of students are remain present and make group for whole visit of industry and get the idea of different processes carried in the industries for manufacturing like sheet metal work shearing, bending, rolling and pressing, punching also.

During the visit to know about metal forming processes for manufacturing parts and latest technology also how the industry manage the work and how they maintain the department efficiently and give the quality product as per schedule.

Mahavir Metal Industries is a manufacturing unit for **UTENSILS AND HOUSE HOLD PRODUCT AND OTHER HOME APPLIANCES.**

In this visit we also get the knowledge to achieve quality of product and safety precaution and drawing symbols used in production drawing.
