EXPERT LECTURE

Report

(4th semester)

28th February, 2020(8:30 AM onwards)

Lecture Summary:

A.Y.DADABHAI TECHNICAL INSTITUTE, KOSAMBA Civil Engineering department has arranged Expert lecture on the topic "water Resources management" for students of 2nd year (4th sem) on 28th Feb, 2020. This lecture was conducted by Mr. AEZAZ PATHAN, M.E CIVIL (PhD pursuing), SVNIT, Surat. The lecture was arranged by S.Y.Patel & N.J.Patel.

He started his speech by saying about the **Water resource management** is the activity of planning, developing, distributing and managing the optimum use of water resources. Then he spoke about the how to manage flood situation, why flood management important, how to control flood.

He explained with example of Navsari district flood management. The students were able to know about water resources management & its importance that are required.

It was very informative and interactive that the students were able to know about WRM. The lecture was even more interesting with the examples he gave relating to each topic. It was wonderful Knowledge sharing and gaining lecture regarding the subject.
