Expert Lecture on "SOLID WASTE MANAGEMENT" 15-September-2020

Civil Engineering Department of A.Y.DADABHAI TECHNICAL INSTITUTE organized expert lecture on "solid waste management" in association with for students of 3rd year (5<sup>th</sup> sem-2018) Civil Engineering. The expert talk was delivered by PROF. HIRALKUMARI B. PATEL, Assistant Professor, Civil Engineering, C.k.pithawala college of Engineering and technology, Surat.

The lecture was highlighted by giving information about what are the different types of waste such as organic waste, recyclable waste, inert waste, electronic waste, hazardous waste and bio-medical waste. They also informed the students on how to separate waste from house. The orators gave various solutions on segregation and have asked the students to start composting waste at home.

A total of 35 students attended the interactive session where in students from Civil department asked questions enthusiastically. All the questions were taken up by the Expert very patiently. Vote of thanks was given Ms. Dharti k. Master, Department of Civil engineering.

Overall, the lecture was very interesting and beneficial to all the students.
