Editorial

The Editorial board of the Institute proudly presents its unique creation in the form of the Annual Magazine "Rahein-Path to glory" every year, which serves as a platform to highlight the literary and artistic segment. The Magazine also highlights the Educational, Cultural and Sports Activities of the Institute.

It gives us immense pleasure to ensure that this magazine has successfully accomplished its objective. The reflection of the students creativity and achievements is the epitome of the magazine.

our 5th issue marks the completion of our 10th Academic year. We wish to express our gratitude to the many people who have given assistance in the publication of this magazine and also help in procuring advertisements.

Complimentary Message

Mr. Salimbhai F. Patel
(President)
The Suratee Sunni Vohra Muslim
Education Society, Surat.

I am very much happy to share my message on successfully completing a decade of our A.Y. Dadabhai Technical Institute, Kosamba. I wish to pray almighty that all the directions of success that our institute will get in the future. And more over hearty congratulations to our Rahein team for giving invisible support to the institute for completing this anniversary edition. At the same time I wish to thanks all the staff members of AYD team for smoothly success education journey for last decade.

Mr. M.M. Bhana Patel
(Hon. Gen Secretary)
The Suratee Sunni Vohra Muslim
Education Society, Surat.

While publishing the "Anniversary Edition" of Rahein I am very much happy to share my best wishes to our enthusiastic Rahein Team & all the staff members. At the same time I warmly giving my blessing to our A.Y. Dadabhai Technical Institute, Kosamba team for giving their continues achievable support to given to institute at new height in the era of technical education for this 10 years. I pray almighty that in the coming days also our institute will achieve all the new heights and upward technical milestone thanking You.

Mr. Yusuf Patel
(Hon. Trustee)
The Suratee Sunni Vohra Muslim
Education Society, Surat.

I heartily Congratulate to our director Mr. M.M. Dalchawal and his team for successfully completing 10 years of Institute.

The efforts put by editorial team in shaping 5th Annual Edition as an anniversary Edition is highly appreciable.

Mr. M.M. Dalchawal
Director
A.Y. Dadabhai Technical Institute

First of all, I wish to congratulate the entire team of A.Y. Dadabhai Technical Institute, on the occasion of completing 10 glorious years of Academic journey. I also congratulate to our editorial team on the release of 5th edition of Rahein-Path to glory the annual Magazine-2018-19. I wish all the very best to its successful reach out.

Although, we are at the end point of our first decade, we are already on the threshold of the next one. on this note I can assure that we will have more achievements and model practices in shaping lives of our students. Let's be prepared for the next journey with full of energy and determination.

On behalf of all A.Y. Dadabhai Technical Institute team, I express heartily gratitude to the Hon. Board of Trustee of our The Suratee Sunni Vohra Muslim Education Society for their valuable guidance and support in all our activities of the institute.

Once again I would like to appreciate the efforts of our team who have worked very hard in the making of this 10th Anniversary Edition.

Mr. Bhavin Pandya
H.R. Manager
Piramal Glass Limited

I am very pleased to note that A.Y. Dadabhai Technical Insitute, Kosamba going to publish "Rahein-path to glory" the 10th Anniversary Edition.

I extend best wishes for the success of this endeavor.

"Put your heart, mind & soul into even your smallest Act. This is secret of success"

Complimentary Message

Mr. B.S. Patel
President
Panoli Industries Association

I am pleased to hear that A.Y. Dadabhai Technical Institute (Polytechnic), Kosamba, is celebrating the 10th Anniversary and also during this occasion you are bringing out your 5th Annual Magazine "RAHEIN" highlighting the journey of the institute for last 10 glorious years.

Technical education plays a vital role in human resource development of the country by creating skilled manpower of different stream, enhancing industrial productivity and improving the quality of life. Further, technical education is instrumental in making the remarkable contribution to economic growth of our country by way of suitable manpower production according to the needs of the industries.

No doubt, in their journey ahead, A.Y. Dadabhai Technical Institute will produce many skilled manpower who will be beneficial for the industries in the country in general and to this industrial belt of the state in particular.

I am sure, "Rahein" – The Magazine which gives complete overview of resources, facilities, events, activities & progress of the institute, will be of great use to the industries and other stake-holders and I congratulate everybody who are involved in bringing out such a useful magazine.

On this occasion of celebrating the 10th Anniversary, I also send my Greetings & Best Wishes to the Board of Directors and the staff members of the institute for great success in all their endeavours.

S Murali Krishnan
Sr General Manger - Operations
Brakes India Private Limited
(TVS Group) Jhagadia

A decade of hardwork and dedication, A.Y. Dadabhai is paving a clear glorified path for the society in general and students in particular.

Congratulations and wishing you to achieve more and more such milestones...

Mr. Faruk M. Patel
(CMD KP Group of Companies)

It gives me immense pleasure that A.Y. Dadabhai Technical Institute (Polytechnic) Kosamba is going to publish its 5th Annual Magazine "Rahein-Path to glory" and also celebrating 10th Anniversary of its academic journey.

I appreciate and congratulate all the members of editorial board for their effort in putting this issue together.

Dr. Atul Shah
Dean South Zone
GTU Gandhinagar.

It gives me immense pleasure to be the part of 5th Annual Magazine – Rahein. Print media in any community plays a very important part to inform people about the hard work done by people; and Annual Magazine is essentially informing the world – the world of the prospect; the world of things going in the institutions to create better future for society.

Institutions, especially technical institutions, pave path for the upcoming innovations, inventions, creativity and endeavours. A. Y. Dadabhai Technical Institute is also one of the contributors in that path. It has been 10 years since its inception and the Institution has created a special niche for itself in the map of renowned technical institutions of Gujarat. The technical knowledge given to students, the platform given to the pool of talented people and most importantly, the steps like annual magazine in last five years have put forth important contribution done by institute for students' technical as well as all-round development.

I am deeply honoured and humbled by the respect and warmth given by the institute to be the part of the 5th edition of this wonderful magazine. I wish from the bottom of my heart that this institute grows in stature and create great future for the country.

Complimentary Message

Dr. R. N. Prasad
M. Tech, MBA, Ph.D
Director
(CED Gandhinagar)

We take this opportunity to congratulate you on completing 10 successful years as a pioneer institute in technical education field in tribal belt. You have been associated with us as Entrepreneurship Development (ED) cell for encouraging entrepreneurial culture among students, we really appreciate your active participation in organizing various awareness & training programmes for entrepreneurship throughout the financial year: 2018-19. Also you are associated with CED as Skill Development Centre for producing skilled youth to serve the industries and we appreciate your work.

We wish you all the best for your future endeavors & assure you for our continue support in every possible manner.

Mr. Nitin Tailor
Founder & CEO
Serve Happiness

I have associated with AY Dadabhai Technical Institute as a expert speaker for entrepreneurship. I really appreciate the great efforts by the institute and their staff for providing better quality education to the students and also inspire students to take path for entrepreneurship as career which is very much required to create more jobs in our nation. I am wishing them a great success ahead.

Mr. M.S. Dinath
I/C. H.O.D. Elect. Engg. Dept.

My self Mr. DINATH MOHAMMED SHAKIR SHABBIR is very much thankful to our organisation The S S V Muslim Education Society, A.Y. Dadabhai Polytechnic, our institute Director Mr. M. M. Dalchawal Sir, all my staff members who will give me an opportunity for further studies to complete my Post Graduation in Power system Engineering in ELECTRICAL Branch. I completed my ME with First Class with Distinction from Gujarat Technological University (GTU) and for this my Institute give me the deputation. I am very much thankful to all my family members who would give me continues supports and my Almighty to complete my post graduation.

Preamble

A.Y. Dadabhai Technical Institute has successfully completed its "TEN" glorious years of imparting technical education in the Gujarat State.

The journey of success started in 2008 with Four Diploma Engineering Courses with total intake of 240 students approved by AICTE (Govt. of India) and affiliated with Gujarat Technological University. Today Four Diploma Engineering Courses (I) Civil Engineering - 60 Seats (II) Computer Engineering - 60 Seats (III) Electrical Engineering - 60 Seats (IV) Mechanical Engineering - 120 Seats with all required facilities for perfect Engineer is successfully running at the polytechnic.

Since last Ten years, the institute has achieved a good reputation in technical education and reached at respectable heights. The massive achievement in total area of technical education is only due to dedicated administration, visionary trustees, a formidable faculties, talented students and responsible parents.

A green and eco-friendly campus, the good looking buildings, a large workshop, well equipped laboratories, huge library, spacious class rooms, seminar halls, computer centers etc. cater the need of perfect engineer.

Over the years 8 batches of three year Diploma Engineering Courses had passed out from the college so far. In all, these 8 batches more than 1800 students successfully got the Diploma Engineering Degree. The teaching standard is update so that in last few years we got university toppers in Gujarat Technological University.

In a short term span of just 10 years, the institute has collaborated with a number of industries to enrich the student experience further.

Felicitation of Shri Ahmedbhai Patel (Member of Parliament)

Appreciation of Students by Shri Ahmedbhai Patel (Member of Parliament)

Academic Excellence

*We are Happy for our student of Computer Engineering Department **Varma Sapna M.** Got the 1st Rank among 131 diploma colleges in all branches and got Gold Medal from Gujarat Technological University.*

Institute Profile

Name of Institute	: A. Y. Dadabhai Technical Institute (Polytechnic)
Approved by	: A.I.C.T.E. (Govt. of India)
Affiliated with	: Gujarat Technological University, Ahmedabad
Managed by	: The Surtee Sunni Vohra Muslim Education Society, Surat
Address	: DR G.I. Motala Campus, Kosamba Mahuvej Road, Kosamba, Dist: Surat - 394120
Telephone No.	: (02629) 235951, 235952
Fax No.	: 02629 - 235955
E mail	: aydtech@yahoo.com
Website	: www.aydadabhaitech.org
Year of establishment	: 2007

At A. Y. Dadabhai Technical Institute, we certainly believe that we can prepare the next generation future. So we emphasize the Faith, Unity & Discipline.

Infrastructure

The total area of the institute is **11 Acres (44,000 sq. mtrs)**. The two buildings with ground and first floor with one workshop having total built up area of **7676 sq. mtrs**

All the laboratories and workshop are well equipped and all equipments are in good working condition

Regular Diploma Programmes :-

Sr. No.	Name of Programme	No. of Seats	Year of Inception	Duration	Mini. Qualification
1	Diploma in Civil Engg.	60	2008	3 year	10th pass
2	Diploma in Computer Engg.	60	2009	3 year	10th pass
3	Diploma in Electrical Engg.	60	2008	3 year	10th pass
4	Diploma in mechanical Engg.	120	2008	3 year	10th pass

Facilities :-

1. **Library:** A full fledge library with more than 4800 technical & non-technical books, technical journals, reference section, reading room, internet facilities.
2. **Computer Centers:** There are five computer rooms with more than 250 PCs with Pentium processors, printers, scanners, and backup power supplies -UPS, software and fully air conditioned.
3. **Seminar hall:** There are two seminar halls equipped with modern facilities, fully air conditioned, LCD projector with capacity of 100 seats.
4. **Canteen:** The canteen facilities are available with nutritious food at reasonable rates.
5. Drinking water facilities with RO plant.
6. Green Campus.
7. **Sports facility** with a big cricket ground, volley ball grounds along with other indoor games facilities.

Institutional Vision :-

- To develop the institute to impart technical education globally competitive to equip students with skills and innovative ideas for betterment of nation.

Institutional Mission :-

- To Nurture qualitative, dynamic and market driven technical human resource through various branches of engineering and with value addition training programs to cater the exact needs of nation.
- To impart transparent and good governance along with accountability in all aspects to stakeholders.
- To enhance industry-institute-alumni interaction platform for mutual benefit.

Validation of Vision & Mission of Institute

Strength :-

1. Good infrastructure with new buildings.

PROGRAM OUTCOMES (POS)

Civil Engineering is a wide field of engineering. The Course Content for the students of civil engineering. Program includes Construction & Planning Structured Design Estimation, Irrigation engineering, transportation engineering, hydraulic engineering, survey work etc. This all implemented with the AIM to develop Practical application skill to the students.

VISION

To impart knowledge of civil engineering with global perspective to our students and make them technologically sharp, ethically strong and employable to build our nation.

MISSION

- ✓ To reinforce civil engineering knowledge and develop technical skill to serve globally in all areas of civil engineering.
- / To promote students for innovative thinking and to bring out their inborn talent to face the challenges of civil engineering.
- ✓ To cultivate high regard for ethical principles and understandings of human and environmental realities.
- / To provide necessary career guidance and train our learners to cater the need of technical manpower of industries.

SHORT TERM GOALS

To start the need based short term courses like Total Station, Autocad

LONG TERM GOALS

To be a Center of Excellence in the field of Construction and Planning.

To start the graduation programs

Computer Engineering Department Sponsored by :

Janab Hanifbhai A. Manjra Sahab (Mosali, India)

Computer Engg. is the process of analyzing & designing all hardware, software for computer system. Computer Engineers continuously push the capability & applicability of computer in every industry & every fact of modern life. It uses many principle & technology of electrical Engg. & many of Computer Science. This field of Engineering not Only focuses on how computer system themselves work, But also how they integrate into the larger picture. Areas like coding, cryptography, information Protection, Comm. & wireless network, computational science & Engg. Mobile computing & others. Due to the wide use of computer across industries & applications, we find computer engineers In many diverse areas. The field is constantly growing & changing due to the rapid pace of Technological advancement.

SR. NO.	PASS OUT YEAR	TOTAL STUDENTS	PASS OUT STUDENTS	DEGREE	PLACEMENT	DETAIL NOT AVAILABLE
1	2009	38	38	5	21	12
2	2010	41	38	24	03	11
3	2011	45	43	12	19	12
4	2012	39	34	11	08	15
5	2013	31	25	09	03	13
6	2014	31	31	08	05	18
7	2015	29	27	12	01	14

VISION

To develop engineers with strong technical background and competency needed to stand in competitive computing world.

MISSION

- ✓ To provide technical education with ethics to become successful engineer in computing filed.
- ✓ To provide knowledge and skill to manage and improve the need of modern society.
- ✓ To educate students with lifelong learning capabilities for higher education to excel in competitive world.

SHORT TERM GOALS

- To prepare laboratory with latest new technology.
- To start short term courses that will helpful for our student in growing market survival.
- Make interaction with companies so maximum student selected in campus interview
- To initiate personality development program that helpful for student for building confidence.
- Make internetworking of all the computer lab for center controlling.

LONG TERM GOALS

- To develop a Center of Excellence in the field of basic as well as advanced programming.

PROGRAM OUTCOMES (POS)

The department strives to make learning more creative, interactive and information driven by using sophisticated methods for the students. High end sophisticated computing facilities are available to meet the project requirements and to encourage research activities related to field.

Department Profile

Electrical Engineering Department Sponsored by :

Haji Mohammed Kasam Sabat Sahab (U.K.)

Electrical Engineering is a field of engineering that generally deals with the study and application of electricity and electronics. Electrical Engineering plays a key role in enlighten the world by production of electrical power. As conventional fuels are depleting day by day, it is now needed to conserve energy through various innovative ideas in the field of conservation techniques by keeping best knowledge of Electrical Engineering with other important social aspects.

Sr. No.	PASS OUT YEAR	TOTAL STUDENTS	PASS OUT STUDENTS	DEGREE
1	2011	39	39	22
2	2012	58	57	37
3	2013	51	50	31
4	2014	56	52	30
5	2015	58	58	35
6	2016	59	55	30
7	2017	49	38	13
8	2018	50	33	14

VISION

To establish the department by transmitting innovative electrical engineering skills to meet the requirements of industries and nation.

MISSION

- ✓ To prepare a cadre of engineers and professionals to cater to the industrial development and economic growth of country.
- ✓ To educate and to give requisite technical skills with the consideration of all phases to beneficiaries.
- ✓ To establish common platform for institute - industry - alumni to serve nation.

SHORT TERM GOALS

- To train students in widening their knowledge and improving their skills in the field of Electrical Engineering.
- To provide a solid foundation to be able to use the techniques, skills and recent engineering methods necessary for industrial environment.
- To assist the students to be globally competitive and be at the cutting edge of technology by providing training and expertise in critical areas.
- Be successful in careers and/or graduate study in engineering or other areas such as business.

LONG TERM GOALS

- To provide a sound base from which to embark in lifelong learning and graduate, post graduate studies.
- To develop an engineering environment for research and development.

PROGRAM OUTCOMES (POS)

The main aim of the Electrical Engineering programme is to develop enterprising professionals who have an innovative disposition, the confidence and abilities to assume leadership roles in technology, business and the community. The programme is designed to give the skills essential for engineers to become immediately employable in the global competitive environment.

Department Profile

Mechanical Engineering Department Sponsored by :

Dr. Yakub M. Gangat Sahab (USA)

Mechanical Engineering envisages the development, design, manufacturing and maintenance of machinery. The present age demands Mechanical Engineering specialists who have the capacity of adaptability and creativity in the new technical areas. Mechanical Engineers should have knowledge not only in their own specialized fields but also in wide interdisciplinary fields as well.

SR. NO.	PASS OUT YEAR	TOTAL STUDENTS	PASS OUT STUDENTS	DEGREE	PLACEMENT	DETAIL NOT AVAILABLE
1	2011	39	37	19	16	2
2	2012	91	91	44	39	7
3	2013	94	89	46	36	7
4	2014	110	97	57	37	3
5	2015	113	102	57	39	6
6	2016	101	96	53	34	9
7	2017	105	89	36	48	5
8	2018	102	67	35	29	3

PROGRAM OUTCOMES (POS)

The course content for the student of Mechanical engineering programme should be taught and implemented with the aim to develop various types of skills, so that students are able to acquire knowledge of theoretical principles for mechanisms and machines for clear understanding of concepts underlying engineering design. It gives inclination to apply this theoretical knowledge to the practical problems.

VISION

To develop the department by imparting quality technical education to students through skill & innovative ideas to cater with the changing needs of industries & nation.

MISSION

- ✓ Prepare effective & responsible engineers by providing & environment for quality technical education.
- ✓ Constantly strive to improve technical & soft skills along with ethics.
- ✓ Respond effectively to the needs of the industry and society.

SHORT TERM GOALS

- To enhance Industry - Institute interactions
- To start the need based short term courses
- To start the programs in thrust areas like glass industry

LONG TERM GOALS

- To develop a Center of Excellence in the field of CAD/CAM
- To start the graduation programs

Huminity & Science Department

Department of science & Humanities offers applied science & humanities courses as prescribed by the curriculum of the GTU in first year in the Diploma Engineering . so, there is a strong need to build a strong foundation as a part of Engineering Education. The Department houses many discipline like English literature & Communication, Mathematics, Physics & Chemistry.

Further the vision is set for opening up different abilities in the field of Science & Humanities, there by ensuring the scope for become professional with a difference to understand the social reality.

Administrative Staff

CENTRALIZE FACILITY

LIBRARY

The library plays a vital role in improving & nurturing the knowledge and aids in learning and teaching activities. The primary purpose of library is to support teaching, research, academic & management programmes. It serves as the workshop for the entire college, students and faculties. The main objectives of library are

- The serve as the hub of learning.
- To enhance the reading habits as well as develop the skill of searching information from the internet among the user community of library.
- Our institute's library is having a huge collection of book of engineering and science and collection of CD's & DVD's, various international & technical journals and magazines.

1. Total Books	: - 6352
(Including 1000 Reference Books)	
2. Total No. of Titles	: - 1371
3. CDs & DVDs	: - 482
4. International Journals	: - 01
5. Tech. Journals	: - 12
6. Magazines	: - 07

VISION

To serve as the hub of learning and to act as the gateway of knowledge and invention that exists in print and digital formats to support institutional vision. A.Y.Dadabhai Technical Institute Library is fully computerized with the implementation of SOUL 2.0 (Library Software from INFLIBNET) along with Bar Code System.

MISSION

Improving quality library information system and service to support teaching, research, academic and management programme and providing and nurturing knowledge and aids in learning and teaching activities.

Mechanical Workshop

Mechanical workshop is a place where students acquire knowledge on the operation of various processes involved in manufacturing and production.

It is a place where the students can understand the application of every Tool, Equipment, Machine, Material and the Process.

Workshop is the heart of Mechanical Engineering. It includes,

- Machine shop
- Welding shop
- Carpentry shop
- Forging shop
- Fitting shop
- Metrology & Instrumentation lab
- CAD/CAM lab
- Material Science lab

Canteen

It is not just the place where you go to eat, especially in colleges, this place is an open arena for debate, argumentative sessions, cracking gossips, kidding and having loads of fun with tea, coffee and snacks in between as gap fillers. Food and friends both initiate with 'F' and canteen is the union zone for both. It is the force of double 'F' that drives you to canteen, so college canteens can really make and shape student's life.

Computer Center

The computer facility in our institute comprises of 4 computer center with more than 150 nodes inter connected with fibre optic cables. All computers are having latest configuration with UPS for backup, laser printers, inkjet printer, Scanners etc. Internet Connection with more than 32 mbps bandwidth of broadband type are available. Various applications softwares are also available.

Seminar Halls

Our institute have two seminar halls with latest equipments & each having capacity of 120 seats. The main aim of seminar halls are to provide platform where the students and presence come up with their innovative ideas. The seminar halls also provides a venue where various precious occasions, award ceremonies, expert lectures etc can be held

Mohammed Sabat Sahab Playground

The most happening place of any college is not any exception here also, playground is the most energetic & lively part of institute which boost up the energy level of students. So many sport activities carried out by the students.

Language Lab

Good communication is an essential tool in maintaining strong working relationships at all levels. Communication is defined as the exchange of ideas, messages or information by speech, signals or writing.

Here, at A. Y. Dadabhai Technical Institute, we strongly believe that developing communication skill can help many aspects of student's life from their professional career to social gatherings to their family life.

To communicate well is to understand and be understood. This can be achieved in the following ways.

- Verbally - Your Voice.
- Visually - e.g. Images, Graphs, Maps etc.
- Non-Verbally - e.g. Body language, Eye Contact, Gestures.
- Written - e.g. Books, Websites, e-mails etc.

To achieve above goal here at A. Y. Dadabhai Technical Institute we develop "Orel Digital Language Lab". This lab with all its features helps the students to update their knowledge, skills and attitudes in communication.

The language lab system offers broadcasting web-assisted materials and videotaped off air recordings in the target language. It helps one to learn pronunciation, accent, stress and all other aspects of the phonetics of a language. Following are some features of a Language Lab.

- Auditory oriented
- Better attention
- Comprehensive quickly
- Dampen the idea
- Kill the fear
- Effective learning
- Focus veracity
- Guide the group
- Have the self-evaluation
- Medium of interactivity

Rohein
path to glory

Published by : A. Y. Dadabhai Technical Institute

"Training & Placement Cell" is a wing to support Institute to enhance employability skills in students which help them to get job and also fit them in this competitive environment.

This Cell also works for development of entrepreneur skills, which helps students to established new business to generate employability for society.

VISION

To equip the students with relevant professional skills and guiding them towards a bright future and career.

MISSION

- To arranges and coordinates various programs that aim at molding the students so as to meet the industry expectations in career building.
- Strive to maintain good relationship with industries.

OBJECTIVES

- To act as liaison between Institute & Industries to bridge the gap between the two.
- Provides an interface between "Industry" and "Student" through Industrial visits, In-Plant trainings & expert lectures.
- To enhance technical knowledge of students through in-house training seminars, workshops etc.
- To invite companies for conducting Campus Recruitment Drive.
- To impart training with the help of professional training personnel, which enable students to gain a competitive edge in their career, groom them and develop their personality.
- To provide industrial exposure through summer training for the students.
- Inspires the students to participate in co-curricular and extra-curricular activities.
- Creates awareness about higher studies opportunities.
- To impart spirit of entrepreneurship in students.

TRAINING ACTIVITIES

- Arrangement of guest lectures by eminent personalities from industry, institute & various walk of life.
- Provide pre-placement training in soft skills to all students to enable them to appraise to the industry requirements.
- Guide students on various interview techniques, group discussions, aptitude tests, CV writing etc.
- Inspiring students to give a fear-free public talk on the stage.
- Organize Industrial Visits & In-Plant Training.
- Arrangement of Personality Development Workshops.
- Short term Industrial Training is provided to the maximum no of students of final year in Government / Public / Private sector Industries. This training helps students to get acquainted with the Industry.
- Established ED Cell (Promoted by CED, G'nagar) for entrepreneurship awareness & development activities.

PLACEMENT ACTIVITIES

- Establishing cordial relationship with the Industries, inviting them for Campus recruitment drives.
- Arranging In & Off-Campus Interviews.
- Regular correspondence is maintained with various Industries.
- Prepare & update company database.
- Maintain updated Students (fresher & past) database.
- Take feedback from company, since it serves as a yardstick regarding the performance of the students.

FACILITIES

- The Institute has an in-built LCD-Projector-equipped Seminar Halls for holding Pre-Placement Talks, Written Test, and Group Discussions.
- Full-fledge well furnished Training & Placement office equipped with Desktop PC with peripherals, Laptop, Internet connection & telephone for communication.

A.Y. DADABHAI SKILL DEVELOPMENT CENTRE

A. Y. Dadabhai Skill Development Centre was established in the year 2015-16 to impart demand driven and market relevant courses to address skill development and training. The Centre is running at A. Y. Dadabhai Technical Institute, Kosamba, Dist - Surat and having one more extension Training Centre at Rampura, Surat.

Vision: -

Create a sustainable industry ready talent by providing value addition skilled training for global competition.

Mission: -

- I. To establish conducive training frame work for up-skilling & re-skilling of youth.
- II. To enhance Industry-Institute-Alumni interaction platform for mutual benefit.

Objectives: -

- I. To impart skill which enhance employability of candidates from school drop outs, ITI's and Diploma Engineering.
- II. To bridge the skill gap between academia & corporate.
- III. Deliver quality training in various fields with nominal fees structure.

Features: -

- I. Tailor made-need-based courses for specific age group.
- II. Innovative course methodology which would include Games, Groups Discussion, Practical Experiments, Case Studies, Video Lectures etc.
- III. Certificate will be issued to those who complete a particular skill or course and this certificate has to be recognized by all public & private agencies.
- IV. Enable the youth to get Blue Collar Jobs.

Activities: -

The A. Y. Dadabhai Skill Development Centre is doing following activities at its both centres.

- I. Runs skill development courses (Short-Term) under PMKVY-TI schemes of central Government.
- II. Runs Short Term up-skilling or re-skilling courses under Skill Development "Centre for Entrepreneurship Development, Gandhinagar - A Government of Gujarat Organization".
- III. Doing Entrepreneurship programs (EDPS) - (15 days Training Prog). 1 Day Seminars or Workshops on entrepreneurship under CED.
- IV. Industry oriented self-financed short term skill up gradation courses on Solar Panel Installation & its maintenance in collaboration with KP Solarism.

PradhanMantriKaushalVikasYojna for technical institutions (PMKVY - TI) scheme is being implemented with a vision to create skill manpower to drive the flagship schemes of government like make in India, Digital India, Unnat Bharat etc. in support to these schemes, A. Y. Dadabhai Technical Institute, Kosamba has been selected as one of the institutes under PMKVY under AICTE for imparting engineering technical skills training for free of cost.

Background for the Idea of PMKVY - TI :-

There is a large requirement of skill persons in the core engineering sectors and it is possible to train the dropouts from the higher education system.

Keeping in view, it is decided by the MHRD that, AICTE, New Delhi will run PMKVY to train the unemployed youth in engineering skills through AICTE approved engineering colleges and polytechnics. Such that every participants can acquire skills under "National Skill Qualification Frame Work" (NSQF) and find suitable placement private sector jobs/self-employment.

PMKVY – TI – 2017-18 :-

Name of Course	Sector	NSQF Level	Minimum Qualification	No. of Hours	Intake
Domestic Data Entry Operator	IT/ITes	4	10 th	440	25
Fitter Fabrication	CGSC	4	10 th Pass	500	25

PMKVY – TI – 2018-19 :-

Name of Course	Sector	NSQF Level	Minimum Qualification	No. of Hours	Intake
Domestic Data Entry Operator	IT/ITes	4	10 th	400	25
Field Technician - Computing and Peripherals	Electronics	4	10 th Pass	300	25
Field Technician - Refrigerator	Electronics	4	8 th Pass	360	25
Field Technician - AC	Electronics	4	8 th Pass	360	25
CCTV Installation Technician	Electronics	4	10 th Pass	360	25
Wireman - Control Panel	Electronics	3	10 th Pass	300	25

The Centre for Entrepreneurship Development (CED)

CED

Since 1979

(A Government of Gujarat Organisation)

The Centre for Entrepreneurship Development (CED) - A Government of Gujarat Organization is the 1st of this kind in the country, established in 1979, engaged in promoting skill and Entrepreneurship across the state of Gujarat.

Inauguration of skill development courses under scheme No. 7 by Dr. R.N. Prasad, Director CED Gandhinagar

Programs :-

1. Entrepreneurship Awareness Programme (EAP).
2. Entrepreneurship Development Programme (EDP).
3. Second Generation Programme (SGP).
4. Human Resources Development (HRD).
5. Skill Development.

Here at A. Y. Dadabhai Technical Institute, Kosamba, we organize various programs like EAP, EDP, and HRD with the objective to spread the concept/thoughts of entrepreneurship to mass of the society or students of the institute. In such a way that students get encouraged to opt for entrepreneurial career rather than searching for a job.

Dignitaries on the dais during inauguration function of workshop- 2016

Inauguration of "Business Accelerator and Start-up Cell" 29th July - 2017

Inauguration & Welcome Speech by Director, Mr. M.M. Dalchawal of "Entrepreneurship Awareness Workshop" - 2017

Skill development :-

Here we also run Skill Development programs under the scheme no. 7 that is asset for tuition fees for enhancement of skill.

Specialization/Job Role	Minimum Qualification	No. of Hours	Intake	Assessing Body
Fitter Fabrication	10 th Pass	135	30	GTU
Solar Panel Installation Technician	10 th Pass + ITI/Diploma Degree	147	30	GTU

The participants who acquire a specified skill duly assessed and certified by Gujarat Technology University (GTU) which is M-Paneled with the CED - Gandhinagar. After successful completion of training & certification the placement assistance will also provided by the Institute.

VARIOUS CELLS OF INSTITUTE

ISTE Cell :

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making society for the Technical Education System in our country with the motto of career Development of Teachers and Personality Development of students and overall development of our Technical Education.

Objective :

Providing quality training programmes to teachers and administration of technical institutions to update their knowledge and skills in their fields of activity.

To assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisation.

Providing guidance and training to students to develop better learning skills & personality.

Inauguration of ISTE Staff Chapter - 23-03-2013

"Sankalan" & Annual Gathering :

Institute has decided to form an Alumni Association (ex-student's Association) managed by a committee of ex-students from all departments under the guidance of training & Placement cell. The Alumni Association is established for mutual benefits of students & Institute in year - 2011.

Alumni Association provides an opportunity for the better interaction & networking among all students of previous batches & current batches. It also provides a platform.

The slogan of Alumni Association is "Be United Forever"

"Sankalan" of pass-out students

WOMEN IN DEVELOPMENT CELL

A.Y.Dadabhai Technical Institute, Kosamba established "WOMEN IN DEVELOPMENT CELL" in September 2012 and given name "Udaan Hounslon ki.."

Aim & Scope :-

The Cell seeks to promote respect for women/girls students at the workplace, educational premises, address feminist issues, identify problems of working women/girls students and try to resolve them in a well-negotiated manner. This shall be achieved by way of conducting discussions, seminars, presentations, workshops, film festivals and other activities.

Committee of six members have been look out the cell activities and trying to fulfill the aim of the cell.

Highlights of programme organized under "Udaan....."

- (1) **5th October 2012 - "Jindgi Ne Ek Avsar To Apo"** - A lecture by Mrs. Kalpana Gandhi, Associate Auditor & MD of Diamond City of Surat. Her discussion is based on Relation of human being and she explain the same with the use of alphabets "A, B, C, ...Z".
- (2) **8th March 2013 - "Womens' Day Celebration"** - A lecture on health by Dr. Tanvi Gheewala, Physiotherapist, Mariyambai Hospital, Kosmba. She had given guidance on routine work and healthcare for women.
- (3) **1st April 2013 - "Youth Development Programme"** - Udaan - WID Cell organized this programme in collaboration with Inner Wheel Club of Kharach, Kosamba. Under this programme various competitions take place like drawing/painting competition, Elocution & Drama Competition. About 30 to 40 students took part in various competition and winners were given gifts and prizes.
- (4) **6th September 2013 - "Skill Development Programme"** - In collaboration with Inner Wheel Club of Kharach, Kosamba. Under the programme we have arranged Salad Decoration Competition and Mehendi Competition. About 40 to 50 students took part in competition. Winners were facilitating by prizes and gifts.
- (5) **10th March 2015 - "Traffic Awareness & Self Defense Programme"** - To Celebrate International Women's Day this programme schedule. In view of this programme Mr. Vijaybhai Chaudhari, LIB Kosamba Police Department has given information about Traffic Awareness. And Mr. O. P. Singh has given lecture on Self Defense also with practical session on Self Defense.
- (6) **3rd August 2015 - "One day Training programme "Riffle Shooting Training"** - Udaan - WID has arranged one day training programme of Riffle, Horse Ridding, and Lecture related health and Cyber safety with the co-ordination of Kosamba Police staff. Totally 23Girl students and 02 ladies staff have participated in this training programme.
- (7) **29th February 2016 - " Flower Decoration Competition"** - Udaan - WID Cell and in collaboration with Inner Wheel Club of Kharach, Kosamba this competition has been organized. in this competition students made various decoration by natural flowers.
- (8) **17th February 2017 - "Elocution and Debate Competition"** - This competition is based on the theme Demonetization and Pollution Due to Plastic Waste.
- (9) **28th February 2017 - "Creative Rangoli Competition"** - This competition is organized in collaboration with Inner Wheel Club of Kharach, Kosamba. Students made Rangoli with using of different materials other than traditional Rangoli. Students made rangoli in inspirational theme like Beti Bachao, Global Worming, Save Girl Child, traditional etc.

All these events organized successfully with full support of Director Sir and management. And we are ready to align to organize these types of events and other activities in future.

TEJASVINI - "Beti Bachao, Beti Padhao"

Today is the era of Women Empowering all over the world. Empowering women is to make them independent in all aspects from mind, thoughts, rights, decisions etc.

For the empowering of women our Honourable Prime Minister. Mr. Narendra Modi has started a campaign "Beti Bachao, Beti Padhao" To support this campaign our Institute has started a scholarship named "TEJASWINI" on 14th March 2015.

RANBHUMI - THE SPORTS EVENT

A.Y. Dadabhai Technical Institute, Kosamba Organized A multi-sport event called "Ranbhumi" Since from Dec-2012 to till date.

"Ranbhumi" The Sports event" is an organized sporting event, held over multiple days, featuring competition in many different sports among organized teams from our institute. We have tried to include all the major and traditional sports in this event.

Glimpse of "Ranbhumi" The Sports Event over the years

PRAKALP "Passion Creates Opportunity"

Project Exhibition Cum Competition

We at A.Y. Dadabhai Technical Institute, believe that projects play a vital role in shaping a good engineer. Students who do innovative projects in their college days have better engineering skills and stand apart from others in the placement and in their jobs.

Prominent jury members from the field of academic as well as industry were invited to evaluate the efforts put-up by the students. Winner team is also awarded by certificates and out standing rewards, to en courage & exhibits their potentials.

Glimpse of "Prakalp" over the years

CELEBRATION OF ANNUAL FUNCTION

If there is anything that makes every one of us including faculties & students makes happy is annual Day celebration.

On the occasion of annual function of our college there were different cultural activities & prize distribution ceremony organized. It encourage students to exhibits their talent apart from study.

Our Honorable trustees & Respected Director sir also take active part in the function & bless the students to achieve their goods. Every year function was graced with the presence chief guests & other dignitaries from different fields.

College has achieved many milestones in academic field as well as in other co-curricular activities through students which was appreciated with prize distribution.

Later the function was followed by light and joyful events, specially arranged for the alumni members as well as the final year students. The session contained variety of entertaining games like one minute & singing performances, Drama etc.

Memories of Annual Function Day

"SETU-EK KADI"

Any organization can achieve sustain ability by paying careful attention to their impact on society and the environment behaving in a transparent, ethical manner ensures an approach that helps protect the long-term success of society and the environment.

Here, At A.Y. Dadabhai Technical Institute, Kosamba. We started "Setu-ek-Kadi" an activity with the purpose of to solve a social problem or need and therefore generate social impact.
