Celebration of Digital India Week

A.Y.Dadabhai Technical Institute, Kosamba regularly arranges all programs as per the guidelines of Gujarat Technological University. Our Prime Minister has announced that this year **July 1st to 7th**, the week should be celebrated as “**Digital India Week**”. With consideration of that announcement and as per the GTU guidelines Institute has arranged Seminar competition and Debate competition among Computer Engineering Students as a part of a Digital India Week Celebration.

At the beginning of Program **OSTC & MWTC coordinator, Mr.Vijay M Patil** has enlightened the Importance of the Digital India. Moreover he has elaborate the functions of the Government towards Digital India. As a Result Students become able to understand that “**Digital India Program**” will transform **INDIA** into digitally empowered society and knowledge economy. As the Vision of Digital India centered around 3 key area,

1. Digital infrastructure as a utility to every citizen
2. Governance and Services on Demand
3. Digital Empowerment of Citizens

Also there will be huge impact of “**Digital India**” in overall India in near future. Some of the Impact that we can visualize are given below.

▪ **Impact of Digital India by 2019**

- Broadband in 2.5 lakh villages, universal phone connectivity
- Net Zero Imports by 2020
- 400,000 Public Internet Access Points
- Wi-fi in 2.5 lakh schools, all universities; Public wi-fi hotspots for citizens
- Digital Inclusion: 1.7 Cr trained for IT, Telecom and Electronics Jobs
- Job creation: Direct 1.7 Cr. and Indirect at least 8.5 Cr.

- e-Governance & eServices: Across government
- India to be leader in IT use in services – health, education, banking
- Digitally empowered citizens – public cloud, internet access

As a Part of “**Digital India Week Celebration**”, Students of A.Y.Dadabhai Technical Institute has also prepared presentation on Current and Future Trends of Digital World across the Globe. There was “**Seminar Competition**” and “**Debate Competition**” among the Students of Final Year Computer Engineering Department. Student has presented various **Topics** like Google’s Driverless Car, I-ball Technology, and Digital Locker System etc..., Also there was Debate Competition on Application & Importance of Smartphone, Student’s Role in Digital India, What may be the Feature of Futuristic OS in Smartphone.

Overall Impact of “**Digital India Week Celebration**” was Excellent among the Students. They were able to understand the Growing Need of the Technology in Rural India and what are the Expectation of “**Future Smart Cities**”. And also able to understand their Role in Future of “**Digital India**”.

GLIMPSE OF THE “**DIGITAL INDIA WEEK CELEBRATION**”
