Python Programming

A.Y. Dadabhai Technical Institute, Kosamba aims to cater the society with skilled manpower and efficient team members. Institute believes in total improvement of each student. Since 2009 Computer Department of A.Y. Dadabhai Technical Institute has served many scholar students to the society. Today's Era is Computer and Internet Era.

Hence we, at Computer Department planned the Expert Lecture on PYTHON PROGRAMMING for 1ST Semester students on 15TH September 2023.We invited Mr. Raj Yadav from TOPS Technologies, Surat to deliver the Useful Information about the Python Programming.

The purpose of this Expert lecture was to provide knowledge about Python Programming. Mr. Raj Yadav started the lecture with the concept of Python Programming. He made the students to understand about the basic of Python Programming, history of python, various tools, application, real time examples, and future of Python Programming.

Throughout this lecture, students gained a better understanding of Python Programming and opportunities for future career growth. This Session has opened up many horizons among Student's mind, specifically to choose their Career.

Overall the purpose for organizing this Expert Lecture is fulfilled completely. Student had cherished this experience and also showed their interest to attend further workshops in their curriculum. As per the feedback received from the participants it was very good learning experience, the lecture helped them in their understanding the Python Programming.
