[PRAKALP-2015 “Passion Creates Opportunity”]

We have organized an inter department quiz competition under “**Prakalp 2015-Passion Creates Opportunity**” on the 25th March 2015. The program was organized at seminar hall of **A.Y Dadabhai technical institute (Polytechnic) Kosamba** between 8:30 to 10:30 am.

The students from all departments participated in the quiz competition. The event started at 8:30 am by welcoming chief guest **Mr. S. Murlikrishanan** (General Manager, Operations- Brakes India ltd) along with our Principal **Mr. M.M Dalchawal**.

The competition for 1st and 2nd year students were held separately in two seminar halls, anchored & judge by faculty members. It started by introducing students with rules and regulation of quiz competition. The competition had three main rounds as mentioned below.

- First round (**play or pass**)
- Second round (**rapid response**)
- Third round (**look &listen**)

PLAY OR PASS:

In Play or pass round five direct questions were asked to each team. For the right answer positive **10** point and wrong answer negative **5** point. If the question were not answered by the team, it was passed to next team.

REPID RESPONSE:

In Rapid Response, each team maximum 15 questions were asked rapidly with time limit of 90 seconds. For every right answer positive 10 points & 5 points deducted from score for every wrong answer .Not attempted questions were passed to the audience.

LOOK & LISTEN:

In this round each team got three Images and two audios to answer. If answer is wrong than negative 5 point and positive 10 points answer. The questions get passed to the audience if not attempted.

Each team was represented by three members of their class and there were total 78 teams participated from the all departments. After qualifying round at department level for all 78 teams, a total of 11 teams qualified for the final round.
