### **Background:**

The National Program on Technology Enhanced Learning (NPTEL) – A Project initiative of IIT Madras, supported by the Ministry of Human Resources Development, Government of India. NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. To take this initiative forward and to encourage more students across colleges to participate in this initiative, we are setting up SWAYAM-NPTEL chapter in colleges (with the approval of the management) which will be under the headship of a faculty member of the college, who would be our Single Point of Contact (SPOC).
